Linger Longer, Spirit Lake

Meeting Started at 1:42. Board members present, Joel Arnoldi, Cat Kirk, Wendie Tompkins, and Debbie Harper. There were 13 members and 6 guests present. New member Amber Canite read September's minutes. Stand approved.

Coordinator Report: Joel gave an overview of his MRF report to State, from the Meeting of the Minds. He informed us of the Custom Bike that was donated from Lucas Oil that would be given away by the MRF, for their membership drive. Call Joel to sign up for the MRF and enter to win!

Deputy Coordinator: Cat suggested we do a **food drive November 8th**, Wednesday night, and **challenge** all the other bike clubs and bikers to come out, bring two cans of food, listen to Muddy Frog Watt's play their boogie and eat free hot dogs! Show your support for the community and bring a little to help those less fortunate! It's possible this event will be covered by a news person, so come show them the positive side of bikers! It's posted on the Idaho Bikers Guide website and our State ABATE website and Debbie is making flyers. Also, October 28th, Halloween Party at the Linger, music and costume prizes, you're all invited!

Secretary Report: Debbie thanked everyone for their votes and support for the State Treasurer position. She promised a positive outlook and accurate reporting.

Treasurer Report: Balance available upon request.

Membership Report: Mary gave Debbie her update. We have 76 members (thank you Amber) and are working hard to improve and keep our list accurate, with the State office!

Old Business: State Elections, new officers elected for the State Board for 2007 are, Moose Wittrock, Coordinator, Chuck Gilmore, Deputy Coordinator, Karen Hunley, Secretary, Debbie Harper, Treasurer, and Russ Haux, Ambassador at Large. New Business: We had a good turnout today for the highway cleanup, thanks to all the HooDoo and Kootenai members who showed up. The food was great, thanks to Cat and her kitchen and the food Kootenai brought! Ernie gave us an update on the Toys for Tots Run. The Run Date is November 4th and signup starts at 10, at Lawrence's, the ride starts at 11:00. There is a roving trophy that Lucky has made, for the group with the most riders so we're putting out the challenge to all HooDoo. Cat will serve coffee and biscuits for any riders who want to meet up and ride in together, so be at the Linger at 9 am. Ride your bike or your car, just come with us on this great ride for a wonderful event. If you prefer to buy your own toys ahead, please no stuffed animals, they can't be used.

Nominations for 2007 HooDoo officers are on the attached ballot. Please mail your vote in before our next meeting, Friday night, November 3rd, at 6:30.

Mark your calendars, November 3rd, meeting, November 4th, Toys for Tots Run and November 8th, Food Drive at the Linger!
