

HOODOO TIMES

September 8, 2006

Linger Longer Lounge, Spirit Lake

Meeting Started at 7:20 pm. Board members present, Joel, Cat, Debbie, Mary and Wendie. There were 15 members and 3 guests present. Jefro read the August minutes. Stand approved.

Coordinator Report: Our Fat Bastards camp out had a low turnout, but it was beautiful weather, we floated the river and ate burgers and had a great time by the camp fire. All the left over food and sodas were brought to the Friendship Run. The Friendship Run was a great get away weekend. The Clearwater Chapter did an excellent job of setting up events and the organization was exceptional. Joel won two events at the rodeo. The whole town was very welcoming and the atmosphere of this event was exactly perfect. This weekend was truly an event not to miss. Motion was made by Debbie to earmark a portion of the 50/50 and other event drawings into next year, towards gas money for a Hoodoo group to go up together for next years Friendship Run. Motion was seconded and approved.

Deputy Coordinator Report: Nothing to report other than Cat has her kitchen set up now, so go check out the menu at the Linger Longer, you'll be pleased. Bring in your newsletter and you'll get a 1.00 off any drink.

Secretary Report: Debbie rode her 48' HD ServiCar at the Friendship Run parade and in the rodeo and can't stop smiling! With all the curious bikers around she never had any trouble getting someone to help kick start it, when she was too worn out trying! The Friendship Run is definitely on her calendar for next year!

Treasurer Report: Balances will be given to any member who requests it. Money is still due to state and Wendie will get that out this next week.

Membership Secretary: Hoodoo is now up to 75 members (3 applications turned in at the meeting). Mary is also heading up the State newsletter and it will be mailed out the week of the 11th, with ballots, for the upcoming State elections.

With the delay in printing the State newsletter, ballots and security envelopes were passed out at the meeting. Joel read an email from Ernie regarding the nominees and we explained to the membership that if they wanted they could complete their ballots and put them in envelopes, to either mail or we would hand deliver them. We received 15 sealed ballots, the Secretary has them and will deliver them to the State meeting. ***The Hoodoo Board supports Moose, Chuck, MikkiBeth, Debbie and Russ, but we encourage all members to vote your own ticket, so just VOTE!***

Joel is set to go to the Meeting of the Minds, Sept 21, 22, 23, 24th, in Indianapolis. Hoodoo voted to send a \$300.00 check to donate to the MRF, and Joel will happily present it there.

October 7th is the Highway Cleanup. Please come and assist your Chapters in cleaning up our section of the road. Meet on Hwy 95, right past Silverwood on the right, you'll see the bikes, at 10:00 am. We'll eat at the Linger Longer in Spirit Lake afterwards, lasagna and fixings and we'll have a drink tab to start off!

50/50 won by a guest and \$23.00 went into Hoodoo funds! **Next meeting is October 7th, after the Highway cleanup, at the Linger Longer. See ya there! Ride Safe! ☺🍺**
